

## REVISED

### **Punjab Education, Curriculum, Training & Assessment Authority** **Smart Syllabus / Accelerated Learning Program (ALP) for Physics-9 (Session 2025-26)**

**Note:** All types of questions for BISE Examination paper will be prepared from the entire content of the textbook other than those topics and questions which have been excluded / deleted in the Smart Syllabus (ALP) for Physics-9 (Session 2025-26).

To ensure timely curriculum completion and effective learning within the educational calendar of the 2025-26 academic session, selected topics of Physics- 9 have been reduced under the Smart Syllabus / Accelerated Learning Program (ALP).

This adjustment has been made carefully to prevent any learning loss, content overlap, or conceptual gap for students. The detail is as follows:
